

Tripod and Wall Screens

Da-Lite's wide selection of tripod and wall screens gives the presenter a professional solution for any projection application or situation. All screens incorporate Da-Lite's exclusive Camlok® roller system that prevents the screen fabric from being accidentally pulled from the roller. All screens come with black masking borders as standard.

Picture King® Rugged Tripod Screen

- High quality professional tripod screen able to withstand daily usage.
- Heavy-duty aluminum extruded legs with toe release mechanism offers a wide stance for maximum stability.
- Screen height is adjustable to accommodate any ceiling height with self-locking extension tube and high-low case adjustment.
- Built-in fabric lock secures screen fabric during transport and use to prevent shifting.
- Carpeted version for rental situations also available.

Patented toe release conveniently unlocks the Picture King's legs.

Fabric lock secures screen fabric in place during usage.

Built-in keystone eliminator tilts the screen forward to compensate for distortion found with overhead projectors.
