Optional Fast-Fold Screen and Drapery Parts and Accessories

A-T Legs
Front and back reinforced legs for additional stability on all Fast-Fold Screens.

Anti-Sway Brace
Attaches to either side of leg for added horizontal stability on screens larger than 14' wide. Uses hook clamps which are sold separately.

T-Legs
Replacement legs for all standard Fast-Fold screens.

Polyethylene Cases
Extra durable carrying cases with metal corners sized for Fast-Fold drapery kits and standard Fast-Fold screens.

Add-on "A" Braces
Converts "T-legs" to "A-T" style legs for added stability when using screens over 7'6"H x 10'W. Requires 1 pair per screen. Includes four hook clamps.

Leg Saver Back Brace
Provides added reinforcement to bottom hinge joint of leg when screen is raised higher on legs.

Speedy Cranks
Replacement cranks for all Fast-Fold frames.

Fast-Fold Screen Repair Kit
Includes everything needed to repair Fast-Fold screens in the field.

Straight Screen Joining Clamp
Used to lock screens together to form a wider image. Two clamps required for screens up to 9' high and three clamps required for screens over 9' high.

Hinged Screen Joining Clamp
Used to lock screens together to form a wider image and allows screen to be angled. Two clamps required for screens up to 9' high and three clamps required for screens over 9' high.

Fill Strips
Choose from either white or black strips to conceal vertical center frames when joining two Fast-Fold screens together. Attachment requires four Fill Strip Clamps.

Skirt Adapter Brackets
Brackets to allow use of larger skirt on smaller width screen.

Fill Strip Clamp
Use to attach Fill Strips to Fast-Fold frames.

"Hook" Clamps
Use for attaching "A" Braces to "T" style legs.

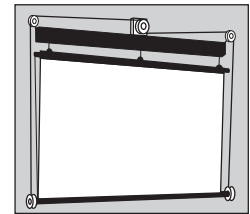

Scenic Roller *Our Largest Roll-up Screen*

- Ideal for large screen applications in stage or auditorium settings.
- Manually operated roll-up screen in sizes up to 30'H x 30'W.
- Easy to use rope and pulley system with concealed nylon pulleys raises and lowers screen effortlessly and quietly.
- Integrated turnbuckle assures proper fabric hang on wide screens.
- 115V or 230V motorized option available in sizes up to 30'H x 30'W for an additional upcharge.
